### **Statement of Jurisdiction**

This action is brought pursuant to the Federal Tort Claims Act (FTCA), 28 U.S.C. § 1346(b)(1), which provides that federal courts "shall have exclusive jurisdiction of civil actions on claims against the United States . . . for injury or loss of property, or personal injury or death caused by the negligent or wrongful act or omission of any employee of the Government while acting within the scope of his office or employment, under circumstances where the United States, if a private person, would be liable to the claimant in accordance with the law of the place where the act or omission occurred." Venue is proper pursuant to 28 U.S.C. § 1391(b)(1) and/or 1391(b)(2), as well as 28 U.S.C. § 1391(e)(1), because the United States of America is a named Defendant and the automobile collision that is the subject in this litigation occurred in Clark County, Nevada.

(b) As to the following exhibits, the party against whom the same will be offered objects to their admission on the grounds stated:

Plaintiff: Plaintiff objects to Accelerated Recovery Services, Inc.'s letter and SF-95 claim, Bates No. US000273 – US000301 as it contains insurance information, is hearsay, cannot be authenticated, violates the best evidence rule and more prejudicial than probative under Fed. R. Evid. 403.

Plaintiff further objects to Brimhall Eye Center, Medical and Billing Records, Bates Nos. US006224 – US006295 as trial is bifurcated as to only liability, and not Plaintiff's medical treatment. Further, neither party has identified any witness who can attest to the medical records, as they were prepared by Plaintiff's medical providers. Moreover, Mr. Bennett's medical records are hearsay as there will be no testimony provided by any designated representative of Brimhall Eye. Moreover, any probative value Mr. Bennett's Brimhall Eye medical and billing records is substantially outweighed by the danger of unfair prejudice to Mr. Bennett regarding the condition of his eyes.

Plaintiff further objects to CSAA Insurance Records, Bates Nos. US001314-US002559 as it contains insurance information, is hearsay, cannot be authenticated, violates the best evidence rule and more prejudicial than probative under Fed. R. Evid. 403.

Plaintiff reserves the right to use any document including but not limited to discovery responses and/or deposition testimony by Defendant for impeachment and/or substantively as party admissions, as may be relevant at trial. Plaintiff reserves the right to use demonstrative evidence. Plaintiff also reserves the right to use any exhibit listed or introduced by Defendant or as previously produced by the parties.
